Walk in Memory ♥ Walk for Hope

I understand that I am voluntarily participating in the Walk in Memory, Walk for Hope Community Suicide Prevention Walk at my own risk and my own request. I hereby waive all claims against the Nevada Coalition for Suicide Prevention, sponsors, or any event personnel, paid or volunteer, for any injury that I might suffer in this event. I also grant full permission for the free use of my name, picture, and voice in any broadcast, telecast, print account or any account in any medium used in connection with this event or future events of the Nevada Coalition for Suicide Prevention.

Walk in Memory, Walk for Hope involves walking, an activity which may include risks such as, but not limited to, falls, interaction with other participants, effects of weather, traffic and conditions of the road. It is my responsibility to dress appropriately. Although route maps, rest stops, refreshments, and other assistance may be made available during this event, I am solely responsible for my own health and safety. I represent and warrant that I am physically fit and able to participate in this event and I agree to stop and request assistance if I experience any symptoms such as, but not limited to, dizziness, excessive fatigue, shortness of breath, pain or any other conditions which would make it difficult or unsafe to continue.

This release and indemnification agreement shall be as broad and inclusive as is permitted by the State of Nevada. If any portion of it is held invalid, the balance shall continue in full force and effect.

I have read, understand and agree to the terms of this Agreement.

Facts About Suicide

- ◆ Nevada has the 4th highest rate of suicide in the United States, nearly double the national rate.
- ◆ Suicide is the 11th leading cause of death in the United States; the 6th leading cause of death for Nevadans.
- ◆ Suicide is the 3rd leading cause of death for Nevadans ages 15-24.
- ◆ For every teen that dies by suicide, it is estimated that 100-200 teens have attempted. One of the biggest risk factors for completed suicide is a previous attempt.
- ◆ More people die from suicide than homicide in the U.S.
- ◆ Each suicide leaves at least six to eight bereaved family and friends.
- ◆ Surviving family members not only suffer the grief and trauma of losing a loved one to suicide, but also are themselves at higher risk for suicide and emotional problems.
- ◆ Discussing suicide does not cause someone to die by suicide.
